

RALLY FOR LIFE

On the Anniversary of Colorado's Reproductive Health Equity Act
STOP 2023 ABORTION LEGISLATION

Tuesday, April 4, 2023 10:00AM – 12:00PM

West Side of the State Capitol | 200 E. Colfax Ave., Denver, CO 80203

On the one-year anniversary of Colorado's Reproductive Health Equity Act (RHEA), which created a "fundamental right" to elective abortion for the full 40-weeks of pregnancy, come RALLY for LIFE and oppose new abortion legislation moving through our state legislature.

The pro-abortion leadership in the Colorado legislature fast-tracked the "Safe Access to Protected Health Care" package of three abortion bills, which continue to make Colorado the most extreme abortion state in the country.

SB23-190 Prohibiting Deceptive Practices at Anti-Abortion Centers

- Eliminate a woman's choice to sustain her pregnancy and save her child's life through Abortion Pill Reversal (APR) by banning the treatment;
- Restrict and censor the good work Pregnancy Resource Centers do for our community.

SB23-189 Increasing Access to Reproductive Health Care Services

- Circumvent Colorado's constitutional prohibition against public funding of abortion;
- Increase access to contraception and abortion referrals to minors under 19 years of age.

SB23-188 Protecting Health Care Patients, Providers, and Assistors

- Violate First Amendment rights of medical professionals and medical centers/hospitals that do not provide abortion-related services or "gender-affirming care;"
- Violate First Amendment rights of employers who do not provide abortion-related services or "gender-affirming care" in their insurance plan;
- Restrict legal action against Colorado from states with pro-life laws.

At this year's Rally for Life we will also announce the inaugural **Colorado March for Life in April 2024, sponsored by Pro-Life Colorado in partnership with the National March for Life. This will be Colorado's biggest march for life ever!**
